

Into the New Year

Kevin's 2 cents

We are into the 1st 3 days of a new year. How are you and for that fact myself, going to look at this 2021 life?

I would like to ask 3 questions.

1. How do you view life? Describe.
2. Do you find life basically boring, just okay or exciting?
3. How would you like your life to change in this next year? Or even the next 5 years?

Life is exciting, a creative voice. When life is led by the Spirit. Instead of the flesh, it changes from a journey to a pilgrimage. Our life should be measured by our experiences and meaningful experiences with Jesus, not by time or events. When we allow this to occur, our lives will be transformed tedious to fullness.

Romans 8:1-8

Consequently now there is no condemnation to those who are in Christ Jesus, who are not walking according to the flesh, but according to the Spirit. For the law of the Spirit of life in Christ Jesus made me free from the law of sin and of death. For the law being powerless, in that it was weak through the flesh, God, having sent his own Son in the likeness of sinful flesh and concerning sin, condemned sin in the flesh; in order that the ordinance of the law might be fulfilled in us, who are not walking according to the flesh, but walking according to the Spirit. For those who are according to the flesh are mindful of the things of the flesh, but those who are according to the Spirit are mindful of the things of the Spirit. For the mindset of the flesh is death, but the mindset of the Spirit is life and peace; because the mindset of the flesh is enmity at God; for it is not subject to the law of God, for neither is it able to be; and those who are in the flesh are not able to please God.
