## Lesson 4 - Theology: Who is God?

### Introduction

No assignment is more daunting, no task more demanding, no challenge more overwhelming, than that of seeking to understand the being, nature, character, and attributes of the eternal Creator, who is himself the ultimate source of all truth (Colossians 2:3).

But what does it *mean* to "know" Him? And how can we possibly attain such knowledge? This tour focuses on what must be our greatest passion and goal.

## Wrap Up

Discovering God's holy character cannot help but reveal to us our own fallen nature, so that we are compelled to cry, "Woe is me, for I am undone!" (Isaiah 6:5)

But then, as He raises us out of our despair and shows us who we can be in Him, we are granted the gift of a new name — a whole new understanding of our being, our identity, and our purpose in life with God. The fruit of this experience is personal transformation.
