Tour 4: Engagement, The Royal Task

Tour 4: Pre-Tour

Notes for Leaders

There is going to be a lot of new things for your people to contemplate in this tour. Prayer is again essential. Pray that God will keep them from "running away". I have seen some very emotional in this tour because of the "unburdening" that happens to those who have been weighed down by the law. I have seen others bow their back because they think "love your neighbor" is a cop out. Pray they will stay open through Tour 7. Others, hopefully and prayerfully, will be struck by the vision and the Royal Law. This will be the first time for almost all of them that they will have ever considered these things. If you have a Life Group, ask them to pray for your group the night you meet.
