Tour 5: The Vision, Engaging with Grace

Tour 5: Pre-Tour

Notes for Leaders

We will begin this tour with some observations from the event of Saul on the Road to Damascus. Hopefully, by now, you have trained your people to be looking at the pre and post material for each tour. Don't be fooled into thinking that all of your guests are as biblically literate as you are. In their pre-tour materials, we have them read the Story of Saul's conversion. Make sure they are familiar with it.

Also, this is where we are beginning to walk through the vision. Pray they will catch that Vision and that they will not only begin to engage their neighbors, but they will be led by the Lord to pass the vision on to other believers by opening up their homes as you have. Now is the time to begin to ask the Lord for that.
